The Diplomats provide vital customer service by calling on new and existing Chamber members to thank them for their support, to monitor member satisfaction and to introduce them to new and updated programs the Chamber has to offer. We congratulate our Diplomat of the Month for October, **Nancy Hilliard** and November, **Evelyn Clary**.

Nancy says “I have enjoyed being a diplomat so much. It’s a wonderful way to be involved with the Chamber and staff and participate in functions. I, also, enjoy the interaction with Chamber members, learning about their companies and encouraging them to take advantage of their memberships to grow their businesses.”

Evelyn says “As a young professional Insurance Agent working with the **Eva Turner Allstate Agency, Inc.**, the Diplomat program is helping me build and expand my reputation in the business world. I have enhanced my professional and personal development through my affiliation with the Chamber staff and my fellow Diplomats, and I am increasing the visibility for myself and my employer in the local business scene by calling on Columbia's business leaders for the Chamber.”

Are you outgoing and energetic? Do you enjoy meeting new people? If the answer is “yes” and you would like more information on how to join this prestigious group, please call Lynn Turbeville at 733-1128 or email lturbeville@columbiachamber.com for more information.

Thanks to **Carolina Café & Catering**, **Smoky D’s** and **Garden Bistro** for providing lunch at the Diplomat meetings for the past quarter.
